January 2023

*“[Jesus] said to him, “Go home to your own people, and tell them how much the Lord has done for you and what mercy he has shown you.” — Mark 5:19*

Happy New Year!

As we begin our 173rd year of ministry at First Congregational Church of Ripon in 2023, we will pause to reflect on our ministry of 2022, celebrate our accomplishments, and look towards our opportunities as a

church to serve our community in the coming year.

I invite all of our members to join us on Sunday, January 22, 2023 following the 10:30 AM worship service for our 2023 Annual Meeting.

Members of the congregation will be able to vote on the business of the church, including our 2023 slate of nominees for church leadership and committees, and our 2023 budget. I look forward to sharing this time with you as we work together as the church to live into God’s vision for us in 2023.

## **2023 Annual Meeting • Sunday, January 23, 2023 Following the 10:30 AM Worship Service**

But what is our vision as the church? What are we called to do and be?

During the season of Epiphany, January 15 through February 19, we will explore in worship what it means to be called the church, and what we can do to live into that calling. Our theme, *Understanding Church*, begins with the questions, “What is the church? What is it for?” Using the lenses of mercy, faith, praise, justice, and humility, we can better understand what we are called to be and do in our community.

Creative team Elizabeth Myer Boulton and her spouse Matthew reflect in their blog, SALT Project’s *Strange New Worlds*, that in order to understand the church, we need to begin with what Jesus taught and modeled in his ministry. Rather than a building, the church was made up of people who surrounded Jesus and worked toward his vision of a peaceable kingdom. Even more than that, the church was not just a people, but an ideology centered on a simple spiritual ethic known as the *Gospel*, which means, literally, Good News.

Digging deeper, we might ask, what is the *Good News*? *And why do we share it?* The news of God’s love and the teachings of Jesus’ life, it turns out, is something worth sharing. The dictionary defines news as “newly received or noteworthy information, especially about recent or important events.” News requires someone with which to share it. And Good News is why we need the church.

Jesus said, “For where two or three are gathered in my name, I am there among them.” (Matthew 18:20) The Good News was the basis for gathering, and it was also the instructions Jesus left his followers. Jesus brought people in by saying “Follow me,” and then sent them back out into the world saying, “Go, and tell.”

*To be the church* we must *go out into the world*. Jesus models for us the most basic and profound way to think of our calling as *the church*. When we are living our beliefs on a daily basis, faithfully following Jesus out into the world, we are also inviting others to join us in the work of the Gospel.

Let’s explore being the church, together, this season of Epiphany, and learn how God is calling us out to share the Good News.

See you in the New Year,

—Pastor Jeffrey

### ***Wisdom from MLK***

I am convinced that love is the most durable power in the world. It is not an expression of impractical idealism, but of practical realism. Far from being the pious injunction of a Utopian dreamer, love is an absolute necessity for the survival of our civilization. To return hate for hate does nothing but intensify the existence of evil in the universe. Someone must have sense enough and morality enough to cut off the chain of hate and evil, and this can only be done through love.

—Martin Luther King Jr.

# RECYCLING UPDATES

We are currently working with  
NexTrex  
and  
Bic Corporation

2 JANUARY, 2023

## THANK YOU SO MUCH

FOR YOUR RECYCLING EFFORTS

To date we have collected 430.9 pounds of plastic! We have about 69.1 more pounds to collect! Please continue to bring in plastic film (bags, bubble wrap, overwrap for water bottles, etc.). If we make our goal we will earn a bench made from recycled materials for our church grounds.

## *From the Outreach Committee*

The Outreach Committee would like to share some great news!

The **Food Pantry** received two full grocery carts from our October Calendar Food Drive. The Girl Scouts assisted Janis Edwards in loading the food and transporting it to the Traded Treasures Food Pantry. It was very rewarding to see the donated food each Sunday as it increased.

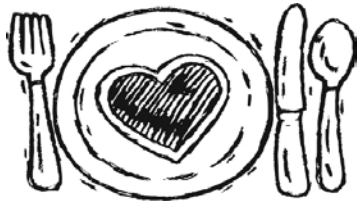

The October **Neighbors in Need** special offering collected \$1,058.46. Both of these achievements are a testament to the generosity of our congregation. Thanks to all who gave!!

—Janet Vossekui

## *Help Stock the Pantry*

During the month of January, the food pantry would appreciate your donations of pancake mix and syrup, hot cereal, rolled oats. Ongoing needs include paper grocery bags, peanut butter, and personal toiletry items such as a deodorant, soap, and feminine hygiene products. Cash donations are always very much appreciated as well. Donations may also be dropped off at the church and will be delivered to the pantry. Thank you for your help!

# Faith Formation - Happy New Year!

## New Year, New Time for Sunday School

It is good to try new things, but sometimes they don't work out as well as you had hoped. That is the case with having Sunday School during the worship service. We just didn't have enough time to teach our curriculum, do fun activities, and have friendship time for the First Congo Kids. We also learned how important it is to have kids in the service for baptisms, communion, and special music. Going down to Sunday School after the Children's Moment in the service, just didn't

give us any flexibility. So we are returning to our former schedule for Sunday School in January.

Beginning on January 8th, parents can drop off their kiddos beginning at 9:00. We will start our lessons and music time at about 9:20 and come up to the sanctuary at around 10:20. Children can then return to the classrooms after the Children's Moment or special events for friendship time and activities.

Our World Religions class for older children (Grades 4-7) will take place during the Sunday School time, so those folks should also come at 9:00.

We hope this new schedule will give parents a little time to relax and help our First Congo Kids grow in faith and friendship in the New Year.

### Thank You!

**Thanks** to everyone who participated in our pageant or helped with the luncheon. It was a lovely celebration. Special thanks to Pastor Jeffrey, Maria Dietrich, Morgan Sullivan, and Becca Parker for everything they did to help with our production of The Grumpy Shepherd.

**Family Activities for Spring Semester** - A schedule of family activities for the spring semester will be published soon.
